

# DELAYED START-UP FORM

Annexair equipment startups must be performed by a qualified personnel within six (6) months from the date of invoice.

In the event a start-up is scheduled only after this delay, the customer is responsible for informing Annexair by completing the following Delayed Start-up Form (FOR-V-025) for each unit to be installed. Completed form(s) must be returned to Annexair's Service Department within thirty (30) days from the date of invoice.
